

Incoming Wiring Instructions

To arrange for a bank wire, you must initiate the wire transfer at the institution where the funds are deposited. Please provide the information below to your institution:

Wire funds to: J.P. Morgan Chase
One Chase Manhattan Plaza
New York, NY 10005

Routing number: 021000021

For credit to: United Shareholder Services, Inc.

Account number: 12508370413

For the benefit of: List all owners on the Fund account (for retirement accounts, also include the contribution type here)

For final credit to: The fund name and your account number

Note: For International incoming wires, please reference swift code CHASUS33

Note: Shares of the U.S. Government Securities Savings Fund and the U.S. Treasury Securities Cash Fund are eligible to receive dividends beginning on the first business day after the wire has been received and accepted by U.S. Global Investors family of funds.

Any registered account owner can call toll free to speak with an Investor Representative. Our hours of operation are Monday – Friday, 7:30 a.m. to 7 p.m. CT.
