All opinions expressed and data provided are subject to change without notice. Some of these opinions may not be appropriate to every investor. Gold, precious metals, and precious minerals funds may be susceptible to adverse economic, political or regulatory developments due to concentrating in a single theme. The prices of gold, precious metals, and precious minerals are subject to substantial price fluctuations over short periods of time and may be affected by unpredicted international monetary and political policies. We suggest investing no more than 5% to 10% of your portfolio in these sectors. There is no guarantee that factors described above will result in higher gold prices. 12-628
