

2009 Tax Refund Direct Deposit

Did you know that when you file your 2009 tax return, you can instruct the IRS to deposit your refund directly into your IRA or Non-IRA **U.S. Treasury Securities Cash Fund** or your **U.S. Government Securities Savings Fund**? It is an easy way to save time and paperwork while building your savings.

To get started, just complete the new IRS Form 8888 with your federal income tax return as shown below.

- A.** The maximum combined Traditional and Roth IRA contribution yearly limit is \$5,000 (\$6,000 if you are 50 years of age or older). Enter the dollar amount you wish to have deposited from your refund to your IRA on IRS Form 8888. To make your IRA contribution for tax year 2009, the money must be in your account by April 15, 2010. Once the money is in your account, notify us by phone or mail no later than April 15, 2010, that the contribution is for 2009. If you do not notify us or the money is deposited after April 15, 2010, the contribution will default to 2010. **Line 1a.**
- B.** U.S. Global Investors routing number is 101218856. **Line 1b.**
- C.** Check the "Checking" box. **Line 1c.**
- D.** Enter the U.S. Global Investors account number. Your account number for this purpose should contain 11 digits following the numbers 385 for the U.S. Treasury Securities Cash Fund or 386 for the U.S. Government Securities Savings Fund; this is the number on the bottom of your checks. It is very important to provide the correct account number to effect your payments appropriately.
