Qualified Dividend Income

Qualified dividend income (“QDI”) is taxed at the lower long-term capital gain rates through 2015. The mutual fund may pass through any QDI it receives from stocks in the fund’s portfolio. QDI is reported to you on Form 1099-DIV, Box 1b.

The QDI amount in Box 1b will only apply to you if you have held a fund for more than 60 days during the 121-day period beginning 60 days before the date of the distribution. To assist you in determining whether you have met this holding period requirement, the distribution dates for our equity funds are listed below.

Important State Tax Information

United States Government Interest

Please check with your state or local tax office or your tax advisor to determine whether your state allows you to exclude some or all of the income you earn from mutual funds that invest in direct U.S. government obligations. If so, multiply the income percentage listed in the chart below by the amount in box 1a of your Form 1099-DIV to determine the amount of exempt interest.

FUND NAME	U.S. GOVERNMENT INTEREST
U.S. Government Securities Ultra-Short Bond Fund*	99.51%

*Due to certain statutory limitations, shareholders of these funds that are residents of California, Connecticut or New York are not permitted to exclude the portion of ordinary income that represents direct U.S. government obligations from their state income taxes. Please consult your tax advisor.
